We recommend that all items are sent via a tracked or recorded mail service as we cannot accept responsibility for packages that are lost or damaged in the mail. Please retain proof of posting.

Items must be sent back to us in their original packaging (e.g. gift box). If you don't have the original packaging, please package the item adequately enough to keep it safe and secure while in transit.

**Returning from outside the UK?** You must write "RETURNED GOODS" prominently and clearly on the outside of the package and select "Return" on the Customs forms. For any packages not marked as such, we will unfortunately have to pass on any customs fees, taxes and/or brokerage charges or refuse receipt of the item.
